

We Are Children of the World Lyrics

Opening & Mandarin section

Sunrise in the East, yellow, warm and bright.
Sunrise, morning glow, giving life, bringing light.
Hao yi duo meili de molihua.
Hao yi duo meili de molihua.
Here on misty hilltop see ancient temple stand,
Jasmine flowers blossom across this distant land.

Pre-Chorus

And wherever we are (wherever we are)
And wherever we live (wherever we live),
That same old sun light up the sky.
And however we speak (however we speak),
And however we dress (however we dress),
We wake, we sleep, we laugh, we cry.

Chorus

We are children of the world.
We share this planet, share this Earth.
We are children of the world.
One big multi-coloured family,
No matter where our birth.
Though we speak with many voices,
We are joined in harmony,
Standing tall, singing out, flying free.

Panjabi & Urdu

Over the mountains comes the sun.
Shining its light on ev'ryone.
Alalara balara babay dee.
Babakana Kelly eyega.
Babee becki chatay ghi nah-lay chhan katteghi.
Spices here for you to taste, Chilli, cardamom and
mace.
Children play beneath that sun,
Running, hiding, having fun.
Here among the shadows deep, see the mighty tiger
sleep.
Elephant and leopard roam through their forest home.

Ek pyasa kawa tha
Jug mein thoda pani tha.
Stories for all to tell,
Thirsty crow is here as well.
Kawa dala kankar
Pani aya upar.
Stones he started sinking, soon he was busy drinking.
Stories to give us pleasure, stories for us to treasure.

Track 5: Arabic

As the sky begins to glow
in other lands the cock will crow.
Creatures stir, the earth awakes
And once again a new day breaks.

Mabeekhafoo, la, la, Shoo ma shafoo, la, la,
Emmoun had-down, hennee hadda ferhaneen.

And just like a bird,
Fly south with the sun,
To African Plains where buffaloes run.
And under the skies
See flowers so bright
With colours and scents to thrill and delight.

*Maua mazuri yapendeza,
Maua mazuri yapendeza.
Busy ev'ry hour, visiting each flower,
Hakuna mmoja asiyependezwa.
Zuum, zuum, zuum,
Nyuki lia wee.
Zuum, zuum, zuum,
Nyuki lia wee.
While the day is hot and sunny,
Off to make some honey.
Zuum, zuum, zuum,
Nyuki lia wee.
Zuum, zuum,
Nyuki lia wee.
Zuum, zuum,
Nyuki lia wee.*

Track 8: Portuguese

And across the ocean wide
Shines the sun and rolls the tide.
See the crowds are on their way,
Come and join this special day.

Listen do you hear the music playing?
(La la la la la la)
Closer do you see the dancers swaying?
(La la la la la la)
Drums are beating, feet are tapping,
People eating, hands are clapping,
Celebrate it's Carnival today!

Listen do you hear the Samba pounding?
(La la la la la la)
Closer, ev'ry street is now resounding.
(La la la la la la)
Children singing, colours swirling,
Bell are ringing, dancers twirling,
Celebrate it's Carnival today!
